

A 3D architectural rendering of a four-story European-style building. The main facade is light blue with white decorative moldings around the windows and corners. A central corner tower is a prominent feature, topped with a dark grey conical roof and a small lantern. The tower has arched windows and a balcony with a black metal railing. The building has multiple windows with brown frames and black metal balconies. A red car is parked on the street to the left, and a person in a white coat stands near the entrance on the right. The scene is set on a street corner with a tree on the left and a grey building on the right.
